Dear Parents / Caregivers

Kia ora koutou

We are currently interviewing parents and children for New Entrant and Yr 9 enrolment for 2022 and at this time we collect information about students.

When collecting personal information about students, we securely store it in Kamar (a commercial programme that we use for attendance, reports and many other matters). Our school Privacy Policies can be viewed on our 'School Docs' policy website see the 'yellow box' on this page (and in all our school Newsletters). Our Privacy policies and procedures comply with the NZ Privacy Act 2020. Personal information may be shared with the Ministry of Education, NZQA, Attendance Service, SENCO, DHB and RTLb.

Non identifying statistical information may also be shared with the Christian Education Network and other relevant agencies to help with school planning and administration. Do feel free to contact me if you require further information.

I congratulate our 40Hr Famine team who have raised \$2,300 to date, with more to come following the weekend and the Monday Mufti Day on Monday.

Rest up, keep warm and do enjoy your upcoming school holiday.

Canterbury Cross Country:

On Wednesday 23 June, **Connor Milnes and Katie Keats** participated in the Canterbury Cross Country. This event was held at the Halswell Quarry in Christchurch when the weather was cooler with a huge amount of mud on the track (many muddy children after each race!). Katie ran first and raced hard, all the way, against 120 other Yr 6 girls. She competed and represented our school well. Connor ran his race next with 134 other runners. He finished in the top 30 runners and competed very well. What an honour to watch these two students representing our school after having worked so hard to get to this level. Thank you to the support of their families and also for the fantastic organisation on the day.
Well done Katie and Connor. We look forward to seeing your future Cross Country results.

Drama and Dance in action!

Gymnastics:

On Tuesday 29 June, five Yr 7/8 girls competed in the Novice Rhythmic Gymnastics held at the Olympia Gymnastic Sports in Wigram. Although freezing outdoors the gym was cosy and warm. The girls spent half an hour warming up and coaching each other (Mrs Beukes was unavailable on the day). Miss Reid happily supported the girls. The Yr 7 students, **Skyler Stevenson and Jennie Son** went first and used ribbon as their apparatus on the floor. It was a pleasure to see them perform and enjoying themselves in front of five judges, whilst smiling the whole time. The Yr 8 girls—**Emmelia Williams, Leia-Belle Sutton and Isla Sard** used rope for their apparatus and all three girls performed very well and completed their routines confidently.

Following the competition we attended the prizegiving where **Isla Sard** received a 1st for Yr 8 Girls. Well done Isla for your beautifully presented routine and reward for hours of practice. Thank you to Mrs Beukes for her time to run lunchtime practices and to Sophie Culshaw for assisting with practices. A big thanks also to the girls who trained and practiced for many hours to successfully present a polished routine on the day. Well done everyone for representing our school so well in another area of sport.

Government's vision for NCEA to reflect Mana ōrite mō te mātauranga Māori (parity for Māori knowledge). The proposals also support the Government's commitment to deliver opportunities for greater specialisation at Levels 2 and 3. Some of the proposed new subjects will require further scoping prior to development work commencing.

The feedback we receive from the sector through this engagement process will inform the Ministry's final decision.

To support the public to provide feedback, a survey is available on our website at NCEA.education.govt.nz - as well as discussion documents for subjects in both *The New Zealand Curriculum* and *Te Marautanga o Aotearoa*, fact sheets and other resource materials.

Have your say by 11 August.
