## Dear Parents / Caregivers

Kia ora koutou

Welcome back to Term 3! Welcome also to the new primary students who started at RNLS this term. Ps Stan and I continue with our enrolment interviews for entry into 2022.

Well done to the students who raised \$6,837.58 for the 40 Hour Famine. What an amazing effort!

The RNLS team who competed in Dunedin at the SI Area Schools Competition over the holidays had a very successful time. In particular I congratulate the many students in their subsequent selection as NZ Area School Reps. (see over)

A heads-up about the Teacher Only Day on 10 August. The Primary staff will be onsite (but unavailable) whilst the Secondary staff will commute to Oxford Area School to work with other Canterbury Area school teachers in NZ.

My thanks to Nancy Wu and Andrea Dargan for coordinating the "Period Products in Schools" at RNLS. Students can access free products from the Office (Secondary) or from Miss Dargan's office in Primary. RNLS is very pleased to be part of this initiative.

*See here some of our Primary and Secondary Artwork which was displayed and appreciated at the recent 'Kaiapoi Arts Expo Exhibition' last weekend.*

*We have received lots of positive feedback and encouraging words on the amazing talent here at RNLS. This exhibition demonstrated a wide range of skills and methods in the arts together with a variety of inspirational subject matter.*

Lynne Hopkins

Office staff are happy to accept the return of your 2020 Cup and/or Trophy as presented at the end of last year. These awards will then be showcased in the Office and prepared for end of year prizegivings.

Kia ora koutou We are seeking your feedback on the **proposed NCEA subjects** derived from *The New Zealand Curriculum* (at Levels 2 & 3) and *Te Marautanga o Aotearoa* (across all Levels) between 16 June and close 11 August.

The proposals include new mātauranga Māori subjects in *The New Zealand Curriculum* and in *Te Marautanga o Aotearoa* to give effect to the Government's vision for NCEA to reflect Mana ōrite mō te mātauranga Māori (parity for Māori knowledge). The proposals also support the Government's commitment to deliver opportunities for greater specialisation at Levels 2 and 3. Some of the proposed new subjects will require further scoping prior to development work commencing.

The feedback we receive from the sector through this engagement process will inform the Ministry's final decision.

To support the public to provide feedback, a survey is available on our website at [NCEA.education.govt.nz](http://NCEA.education.govt.nz) - as well as discussion documents for subjects in both *The New Zealand Curriculum* and *Te Marautanga o Aotearoa*, fact sheets and other resource materials.  
Have your say.... by 11 August.
