Rangiora New Life School

RNLS Covid 19 newsletter 2021/2

20 August 2021

Kia ora koutou

We are now continuing in Alert Level 4, till at least Wednesday, which means that our school will not be open onsite, for any students till at least Wednesday.

I was sent this verse yesterday, which I share as it was a timely reminder at this time:

PHIL 4:6-7

Don't fret or worry. Instead of worrying, pray.

Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down. It's wonderful what happens when Christ displaces worry at the centre of your life.

My thanks to all the staff who have been working hard. I appreciate that the swift move to Level 4 and now the continuation of home learning for children has with it challenges. We have done all we can to make the systems as effective as possible and have used the experiences from 2020 to guide us. Our focus as always will be to support the learning, safety, and wellbeing of our rangatahi and tamariki and we continue to be here to support you as well.

Our distance learning plan will continue next week.

- *For Primary, we will continue to connect with parents via Seesaw, ensuring that families are safe and well, and checking students are able to connect to student Seesaw accounts. Teachers will Seesaw parents regarding Seesaw connectivity for students. Teachers will prepare resources on Monday, including hard packs for the youngest children, and will be distributing these, including some devices on Monday. Online learning for Primary will commence on Tuesday.*
- *For Secondary, students will continue to be contacted by their class teachers through their class Microsoft Teams and their school email. These should be checked regularly. If a subject has an on-line lesson, these will only occur in the scheduled period times for that class. Online lessons will continue for Yr11-13*

classes from Monday and for Yr9-10 classes video lessons will start on Tuesday. On Monday Yr 9 -10 classes should continue to work on the work their teachers have sent them.

- The programme for online classes for Yr 9-10 students is below. Attached to this email is information from NZQA that should answer any questions about NCEA at this time.
- On Monday, we will deliver school devices (a limited supply) to families that have requested them, along with hard-copy packs. At Covid Level 4. School staff have MOE (Ministry of Education) permission to go to school, prepare hard-copy packs and deliver to the homes of families, with devices. These deliveries will be contactless to the home letterbox. Primary Parents who requested an MOE pack will receive a pack when the MOE delivers these to schools.

Please do not hesitate to contact your child's Kaiako/Teacher by email or myself if there is something you need assistance with.

I can be contacted on 027 778 3839 for any urgent matters.

Ngā mihi

Stephen Walters
