RNLS Covid 19 newsletter 2021/4a - school bus update

30 August 2021

Kia ora Koutou

A correction to my email on Friday for parents of school bus students (email received yesterday from Ministry of Education).

School bus services **can** run in Level 3 (as required) for those Yr's 1 - 10 students whose parents are essential workers and have been called to work away from home and have no family supervision of their children at home. The bus service would run on demand.

Ngā mihi
