Dear Parents / Caregivers Kia ora koutou

My thanks to our RNLS PTA team for their organisation of a fantastic Primary Disco held last Friday. It was great to see the children so excited and enjoying themselves.

Since our return from Lockdown, I have had a number of enquiries regarding Covid vaccination....

1. Rangiora New Life School will **not** be a vaccination site for Covid nor any other vaccination.
2. The decision for vaccination is a private one between a family and their health professionals.
3. The Ministry of Education have **not** mandated vaccinations for teachers or students in schools.

Enjoy the holiday break, hopefully without restrictions. I for one hope to support those businesses hardest hit by the recent Lockdown.

I also encourage you to download and try the Skool Loop app ...

Learning Recognition Credits

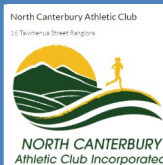

To recognise lost learning this year NZQA have again provided Learning Recognition Credits (LRC). These credits have no 'level' attached to them and will be applied in January when external results are released.

Our students **do not currently qualify for any endorsement or University Entrance changes.**

In 2021 Level 1 students qualify for 1 LRC per 5 credits, up to a cap of 8 (require 72 credits for NCEA L1).

Level 2 and 3 students have a cap of 6 (require 54 credits for NCEA L2/3).

There are no changes to the Numeracy and Literacy credits required.

Want to learn how to run, jump or throw? The skills you learn in athletics are the perfect foundation for almost any sport.

Every student can give athletics a go. Our local athletics club Nth Canty Athletic Club Inc is welcoming new members now and we encourage students to get involved and get active. Contact details for all athletics clubs nationwide are available here athletics.org.nz/FindaClub and become a member.
