Mon 28 Nov MoE Teacher Only Day—closed
Wed 14 Dec School closes post Yr 9-10
Prizegiving

Dear Parents / Caregivers

Kia ora koutou

As we bed down into the new traffic light system and the implementation of the vaccine mandates I feel it important to signal how things are likely to look for us at school in 2022.

The Ministry of Education has made it clear that access to curriculum learning within schools is not affected by student vaccination status.

Some non-curriculum and sport activities outside school are currently requiring vaccine passes for those students to access venues for 12 years plus 3 months and older.

We will negotiate with curriculum providers such as museums, art galleries etc. and cancel these activities if we cannot negotiate access for all students regarding vaccination status. The position of sport has been communicated to us by regional and national sporting organisations—participation only by current vaccine pass—12 yrs and 3 months. Unfortunately as a non-curriculum activity there is no room for negotiation by us here.

The CDHB have contacted RNLS requesting us to be a school site vaccination centre, for the planned rollout 2022 for vaccination of 5-11 year olds. The school has declined and will never be a vaccination centre for any vaccine. Vaccination is a decision between families and their health professionals.

Rangiora

Ka mahi (well done) Jayden Schilt, Troy Cooper and Connor Spencer (from Rm 9) who designed their rocket using Computer Aided Design (CAD). This was then able to be printed using a 3d printer.

Freya received achievement awards for drama, hip hop and contemporary dance. She is in a class for hip hop with students a couple of years older than her and managed to get the top marks in the class, passing with 'honours with distinction'.
