Dear Parents / Caregivers

During the year, I have focused on the theme of “moving back to normal”, and now with the rescinding of masks and mandates, Life at school is basically back to as it was in “2019”. It was fantastic to see the plant fair on Monday 19th, and see the buzz of activity with parents and teachers.

We have a primary disco this week on Friday, and we have 50 students joining us from other Area Schools as part of a Mini Casafest; an opportunity to meet, spend time with students from other schools and participate in sporting and other activities.

Thanks to parents who are billeting our students.

A reminder of the Public Holiday on **Monday 26 September Queen's Memorial.**

We are all looking forward to the term break, to enjoy the spring weather.

'... the term "mental health" ... includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make healthy choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood.'
