Dear Parents, Caregivers and School Community - Kia ora koutou

As we approach the end of this term and prepare our hearts for the celebration of Easter, we pause to reflect on a season filled with learning, growth, and God's enduring grace.

This term has been a time of great blessing. Our students have embraced both academic and spiritual development with enthusiasm and commitment. We are especially proud of the way they have demonstrated kindness, compassion, and courage—living out the values of Christ in their daily lives.

As Holy Week draws near, we are reminded of the profound sacrifice and love of Jesus Christ. His resurrection is not only the cornerstone of our faith, but also a beautiful reminder of renewal, hope, and new beginnings. May this Easter season be a time of peace and deep joy for you and your families.

Thank you for your continued support and partnership. We are so grateful to walk this journey of faith and education together. We pray you have a restful and meaningful Easter break.

He is not here; He has risen, just as He said.

— Matthew 28:6

Here's some tips to ensure you receive notices and push notifications

- When you download the Skool Loop App you will be asked if you would like notifications please **tap yes**. Some devices don't ask this question and automatically tick yes for you. This can be changed in your settings
- If your notifications are turned off in your device settings, some phones apply that to all apps when downloading. In the phone settings please make sure your notifications are turned on
- Check your App Store or Google Play regularly for any outstanding updates
- There are 2 different notices school will send out: **push notification** (banner and ding) or a **notice** (visual alert only)
- You will only receive a push notification if you are not using the app at the time
- If your volume is off you will not hear an alert
- You will see a visual alert if a **notice** has been posted. You will not hear a ding
- You will only hear a ding if the school sends a **push notification**.
