Bus Routes from 03 March 2025

Amberley, Woodend, Waikuku Pegasus bus changes from Monday 3rd of March.

After advice from the Ministry of Education and the Tranzit bus company, we are changing the after school run of the current Waikuku-Pegasus bus to drop off at Woodend first. We are also rerouting the Amberley bus so that it no longer goes via Woodend at all. All students who live in Woodend who currently travel on the Amberley will need to travel on the new Woodend-Pegasus-Waikuku bus from next Monday 3rd of March. We hope that these changes will balance the numbers on both buses and provide for an efficient service for the majority of students. Please be at the bus stop 5 – 10 minutes before the estimated times below.
